Dear C. W.,

As the SMTA celebrates our 25th Anniversary, we would like to take time to congratulate your chapter for your very important contribution. On Wednesday, October 7th, your chapter will be honored as a member of the SMTA Consistent Giving Society. This distinction will be bestowed on your chapter in recognition of your exemplary support of the Charles Hutchins Grant.

The SMTA recognizes the importance of consistent giving, "Every Gift **matters**, Every Year", at any level. SMTA members, companies and chapters who make a donation to the Hutchins Grant for five or more consecutive years qualify for membership in the Consistent Giving Society. As you know, Charles Hutchins was a past president, educator, mentor, and distinguished colleague who exemplified the "best" that our industry has to offer. He would be gratified to know of your numerous donations to this educational grant. In October we will award our 12th grant in the amount of \$5000 to an exceptionally qualified and deserving student, one of the 20 who submitted applications in 2009. I have come to know many of these students over the years and they greatly appreciate the funds that allow them to continue their graduate level education.

As a member of the Consistent Giving Society, we will post your chapter name in a prominent location on the Hutchins Grant page on the SMTA website. We will also print an Annual Meeting program which includes your chapter to distribute to all attendees at our meeting on October 7th.

Over the years, the SMTA has relied on loyal members and local chapters to enable us to provide financial support to our future industry leaders. Your chapter has played a key role to ensure that this continues on an annual basis. On behalf of our Board of Directors and the Hutchins Grant Committee, I extend a very warm and most sincere thank you!

Cordially,

A handwritten signature in black ink that reads 'JoAnn Stromberg'.
