SMTA-ATLANTA CHAPTER MARCH MEETING

Company: EMS Presenter: Dan Perreault

Topic: 3D Laser Scanning and Printing Equipment

Dan Perreault is a graduate of Embry – Riddle Aeronautical University, and holds a BS in Aeronautical Engineering. As the first Applications engineer at FARO Technologies, Dan was a pioneer in the use of portable coordinate measurement machines for 3d measurement in the aerospace and automotive industries. Dan began working with EMS in 2006 with the introduction of the Z Scanner 700. Dan is widely recognized in the industry as an expert in laser scanning & reverse engineering.

“MEAL TIME” AT THE MARCH SMTA-ATLANTA MEETING

EVERYONE SEEMS TO BE ENJOYING THE CHICKEN MARSALA

Support the Atlanta Chapter: Become a Member

As a member, the benefits you will enjoy include:

- ❑ Member rates on education programs, including the annual SMTA International and Pan Pacific conferences and the International Wafer Level Packaging Conference (IWLPC), courses and tutorials, workshops and symposiums, local chapter events, and on-line presentations.
- ❑ Access to free PDF downloads of full-length technical articles in the Knowledge Base, which is a searchable library consisting of thousands of articles. Downloads are available to non-members for \$10USD per article.
- ❑ The quarterly published SMTA News & Journal of SMT, which features a summary of association activities followed by 4-5 outstanding technical articles that are reviewed by a technical committee.
- ❑ On-line access to and real-time listing in the Member Directory where corporate info is available to all visitors, but where individual member holders' contact info is available only to other members.
- ❑ A dedicated listing in the Member Directory for members who are consultants.
- ❑ Member rates in the SMTA Bookstore, an exclusive list of titles that are reviewed and approved by industry professionals. Additionally, there is no shipping or handling charges for standard ground service within the U.S. and Canada.
- ❑ Job posting of Positions Wanted (individuals seeking) or Positions Available (companies hiring) for up to six months out of a twelve-month dues period.
- ❑ Member News listing for individuals who have changed jobs, received new appointments or promotions, or made other distinguishing achievements.
- ❑ Voting privileges in chapter officer elections, on chapter business issues, and in Board of Director elections (not associate members).

Corporate members enjoy all the benefits above plus the following:

- ❑ Member rates on event registrations for all employees (site specific).
- ❑ Member rates in the bookstore for all employees (site specific).
- ❑ Directory listing on-line accessible to all visitors with company info, Web site link, and free logo placement. Member
- ❑ Free advertising in the member directory for corporate members
- ❑ Press release posting about corporate members in the SMTA Industry News on-line.
- ❑ Quarterly listing in the printed SMTA news & Journal of SMT.
- ❑ Discounts on exhibit booth space at SMTA International.
- ❑ Free SMTA International Technical Conference Pass for corporate members exhibiting at SMTAI.
- ❑ Booth discounts at local vendor shows.
- ❑ Free two-time use per year of the entire SMTA membership list in printed mailing label format (available upon request).

SMTA uses e-mail to distribute notices about our technical programs, events, and publications. If you do not wish to be on the SMTA electronic mailing list please reply to the message and put unsubscribe in the subject box. Thank you.

SCRAP ELECTRONICS:

We have a need to identify companies that will receive scrap electronics and properly dispose of it in an environmentally friendly way and provide a certificate back that confirms they have done so. This is a requirement of ISO and AS 9120.

If any of our readers can identify such companies, please send me this information. I will then compile it and publish a list in a latter edition of this newsletter.
